Auli Ski & Snowboard School -

(Snow Skiing & Snowboarding Basic Training Program, Auli Uttarakhand)

Program Overview

State: Uttarakhand

Location: Auli

Duration: 5 Nights / 6 Days

Age Limit: 18 – 70 Years

Reporting Point: Auli Ski Story Café – Casa Himalaya Auli

Day-wise Schedule - Auli Ski School

Day 1: Reporting & Registration at Hotel

Arrive at Auli and check in at your chosen accommodation — **Auli Ski Hostel** or designated partner hotels. Registration, orientation, and program briefing will be conducted by **Auli Ski School** officials.

Auli Ski School Office:

All registrations and initial formalities will take place at **The Ski Story Café (Casa Himalaya Resort)**. Participants must report to the registration office first — from there, our team will assist you in reaching your allocated accommodation based on your selected package.

Day 2: Introduction to Skiing & Balancing Techniques

Meet your instructors and get acquainted with your skiing gear.

Learn the fundamentals of walking, side-stepping, and maintaining balance on snow.

This is your first step toward mastering the slopes — slow, steady, and full of fun!

Day 3: Positioning, Fall & Recovery, Snow Plough Techniques

Learn the correct skiing posture and body alignment for improved control and stability.

Master safe falling and recovery methods to build confidence and avoid injuries. Begin

training on gentle slopes and get introduced to the “Snow Plough” technique, the foundation of speed control and turning in skiing. In the evening, enjoy some leisure time exploring the beautiful Auli surroundings and unwind with your fellow trainees.

Day 4: Snow Plough Turns, Brakes – Ski Lift Day

Today’s session takes your skills to the next level! Practice controlled descents, learn the art

of braking, and refine your turning techniques using the Snow Plough method. The day also includes **Ski Lift** practice, helping you get familiar with slope access and higher terrains. In the evening, take part in a guided mini snow trek, experience Auli's serene winter beauty, and enjoy group bonding around the mountain vibes.

Day 5: Fun Skiing on Advanced Slopes – Ski Lift Day/ Test & Certification Day – The Graduation of Your Snow Journey

Now it's time to put everything you've learned into action! Experience the excitement of skiing on longer and slightly steeper slopes using the **Ski Lift** to access advanced runs. Feel your confidence soar as you improve your turns, balance, and control. Capture amazing photos, celebrate your progress, and share laughter on the snow. By evening, participants receive certificates recognizing their successful completion — a proud moment marking the beginning of their skiing journey

This is your final and most exciting day — the **test day**! Everything you've learned over the past five days will now come together. Under the supervision of your instructors, you'll demonstrate your skiing techniques, control, and confidence on the slopes. Based on your performance, our experts will guide you on the next suitable course — whether it's **Intermediate or Advanced Skiing**.

Auli Ski School guarantee that after completing this training, you'll have the skills and confidence to rent equipment and ski independently on any slope in the world. Celebrate your achievement, receive your certificate, and take home lifelong memories of conquering the snow! 🏂🏅

Day 6: Check-out after Breakfast

Relax and conclude your memorable skiing adventure before departure.
